EDUCATION

Don't Panic Labs, Lincoln, Ne · Pathways Program

2024 - 2025

Sponsored by DiscoverTech, I completed the Pathways Program created by Don't Panic Labs in partnership with Doane University. Through this program, I learned modern full stack development.

SCC, Lincoln, Ne · Applications Development

2023 - 2024

I took some foundational programming courses at Southeast Community College. I had planned to continue at UNL, but the opportunity to join the Pathways Program arose.
